Hi Anne,

The state attorney general's office has assigned an investigator, Michael Monahan, to the tort claim against DOH. He has talked with me and may be contacting other agencies.

Take care,
Nancy

Subject: PCB Concerns at Sky Valley

Good Afternoon,

I've seen the recent stories on PCB concerns.

I'm checking in to see if you have more information on this issue. Please let me know if you have more info or are working on this and if Ecology can help in any way.

Thanks,
Anne
